Last Friday Sheriff McKinney and deputies Couner and M. F Davidson and Squire Brown broke up a still on the farm of Chas. H. Coleman near Carson's Mill. It had the appearance of having been in operation the day before. The still was a good size one, and while there was a copper kettle there the connections were made to a gasolene zinc barrel. No arrests were made, but the officers have an idea who the parties are and arrests may be made later.

Christian, but no serious loss was sustained. The evening train from Lynchburg was delayed by trees and obstructions on the track. Appomattox river was higher than for years. Growing crops were blown down in many sections and some hail fell north of town.

Lumber Back to Normal.

LUMBER has reached a price-level where its value bears the true and proper proportion to the value of the products you farmers raise and sell. In other words, prices today on lumber are consistent with prices on farm products.

THERE'S NOTHING MYSTERIOUS about it—just the old law of supply and demand—and a willingness on our part to play fair with our customer friends by reducing our prices to a point where you can afford to buy.

RIGHT NOW your problem may be a barn, a shed or other building necessary to help you do your work better, more quickly or more economically. Or it may mean a new home, or repairing and remodeling the old one.

BRING YOUR PROBLEM TO US—Let us show you the facts. We have many plans and suggestions, some of which you can probably use, and our friendly counsel and assistance won't obligate you in any way.

Come in the first convenient day and let's talk it over.
